

Lake Carey Welfare Association May 21, 2023

Vice President Ed Hetzel called the meeting to order in Lewis's absence. The minutes were read and one change was needed. Delete the sentence that states we will not make as much profit dealing directly with Finan Detail, it would be a wash because we will not be incurring costs for Venmo or mailing. A motion was made to approve the minutes by Nancy Davidson and seconded by Barb Scanlon. The motion was approved.

Old Business

Sewer Update

Grinder pumps are being tested on Billings Mill Road, Cove Road, Marina Drive and Indian Springs Road. You will get a green tag on your pump when it has been approved. Then you can hook up. You will have two months to pay the \$3000.00 fee and also begin your monthly payment. Once you are hooked up and inspected then you start paying. A question was asked about how long you have to fill in your existing system. Permits to do this are not needed. Ed will ask about the time frame. Most of the grinders on East Shore Drive are completed. They are working on putting in the main line on West Shore Drive. Completion should be in September or October for the west side. There have been many more rocky areas to go through so this slows down the process. No green tags can be given out until the plant is working. The sewer system was not designed to handle storm run-off.

Dam Update

There is still no word on our design from the state. We renewed our private Dam Association Emergence Account for 2023. LCWA paid and was reimbursed by LCDA.

Financial

Deb Tierney gave the treasurer's report.

General checking account - \$4,995.19

Dam checking account - \$5.00

Total - \$5000.19

The Lake Carey Dam Association Accounts

Checking - \$12,607.17

Savings - \$73,343.98

Total - \$85,951.15

Membership

2022 - reached the goal of 150 memberships

2023 – 32 paid memberships to date

Communications

Rob Baskins explained the new website. If anyone has something to communicate via the website contact Rob. We are asking everyone to take a look at the new website. If you have any problems or

questions you can contact Deb Tierney.

#### Golf Tournament

The golf tournament is only a few weeks away. We need more teams of golfers. All the sponsorship's have been taken. We could use a few more hole sponsors.

#### Lake Carey Day

This year we plan to make the event more kid and family friendly. We have 10 crafters for the barn. There will be a corn hole competition, there is a link on the website. There will be food trucks at the barn and Music at night. Baskets for the raffle are needed. You can give Deb Tierney money to make one or you can make your own.

Lewis wants to have a mixer at the Old Carter Barn on June 17<sup>th</sup> and another one in August. This is a good time to recruit more members and get to know your neighbors.

The raffle collected \$60.00 and the winner was Carol Ferguson.

A motion was made to adjourn the meeting. Motion carried.

Respectfully submitted,

Patty Skrynski, Secretary
